

Undergraduate Elementary Education Program

■ About Our Program

The Elementary Education Program is for those who wish to teach at the elementary level (grades K-6). Completion of the program leads to Class B certification in the state of Alabama (a requirement for teaching in public schools) and a bachelor's degree in Elementary Education. In addition to a wide range of coursework and other program activities, teacher candidates complete a full-time (16 weeks) internship in a public school during their senior year.

After completing 60 hours of general education courses, students will apply to become teacher candidates in the Teacher Education Program (TEP). Specific admission criteria are below.
