

Stephens College of Business

Business Minor

A minor in Business consists of 24 hours of required and elective business courses including: AC 221, EC 231, MG 361, MK 351, FI 372, and 9 additional credit hours of business electives. These additional hours can be selected from any business discipline for which the student has the appropriate prerequisites, provided that no more than 6 hours of electives come from the same discipline.
