Title: Limited Smoking near University of Montevallo Cafeteria

WHEREAS: Many students feel that they should not have to walk through hazardous cigarette smoke when going to the cafeteria, AND

WHEREAS: A large number of students and faculty members eat in the cafeteria on a regular basis, AND

WHEREAS: Some students have ailments such as asthma or allergies to cigarette smoke, AND

WHEREAS: Many smokers congregate directly outside the entrances to and exits from the cafeteria,

BE IT THEREFORE RESOLVED BY THE UNIVERSITY OF MONTEVALLO STUDENT SENATE: That smokers will only be allowed to smoke if they are twenty-five feet away or more from the cafeteria. This newly designated area for smokers shall be on the East Side of the cafeteria in order to protect students that have ailments or do not want to inhale dangerous second hand smoke in order to eat in the cafeteria.

BE IT FURTHER RESOLVED THAT: The maintenance department provide benches in the newly designated area for smokers to sit on. Any smoker(s) found in violation of this resolution shall be asked to move to the new smoking area and if said student refuses, the campus police shall be called to enforce this resolution.
