

## **STUDENT ELIGIBILITY TO ACCESS STUDENT HEALTH SERVICES**

### **CURRENTLY ENROLLED UNDERGRADUATE STUDENTS**

UM undergraduate students are eligible to use Student Health Services if they are enrolled in classes during the semester or term (Fall, Spring, May, Summer I, or Summer II) in which they are seeking services.

### **CURRENTLY ENROLLED GRADUATE STUDENTS**

UM graduate students are eligible to use Student Health Services if they are enrolled in classes during the semester or term (Fall, Spring, May, Summer I, or Summer II) in which they are seeking services and if they have elected to pay the health fee for the corresponding semester or term.

### **SUMMER ACCESS FOR CONTINUING STUDENTS**

During summer terms (May, Summer I, or Summer II), continuing students who remain in the area but are not taking summer classes at UM are eligible to use Student Health Services if ALL of the following conditions are met:

1. The student was enrolled in the spring semester immediately prior to the current summer terms.
2. The student is enrolled in the fall semester immediately following the current summer terms.
3. The student has paid the health fee for the summer term in which services are sought (May, Summer I, or Summer II).

### **ADDITIONAL INFORMATION**

- Payment of the health fee must be rendered before the time of service.
- For current payment options and rates, please contact the UM Cashier's office: 205-665-6065
- Fees will not be pro-rated based on the date of service within a summer term.
- Student Health Services will verify student eligibility to access services prior to scheduling an appointment.
