

Minority Educators Scholarship:

The shortage of minority teachers in Alabama and across the nation has been linked to multiple educational, social, and economic issues. The University of Montevallo College of Education recognizes this shortage and has designed the Minority Educators Scholarship Program, which is a collaborative program for students of color, to increase the number of minority students completing teacher education and instructional leadership programs in the state. Graduate students who received this scholarship as undergraduates are not eligible to re-apply. Eligibility requirements include a minimum MAT score of 388, or a minimum of 290 on the GRE, and a minimum grade point average of 2.75 earned in undergraduate work. Recipients must maintain a 3.0 or better grade point average on graduate work, must maintain “full-time” status, and must complete the Alternative Master’s Degree Program within two years of admission.
