

Policy 02:220 2.A.4 – Commencement

The University holds commencement exercises spring (May) and fall (December) of each year. All full-time faculty members are expected to participate in the spring commencement, attired in appropriate academic regalia. Participation in the fall commencements is determined for each occasion and announced by the President, or designee.

Academic regalia are the responsibility of each individual faculty member and, if necessary, may be ordered at least one month prior to commencement through the University Bookstore.
