

## Oral, Poster, or Creative Writing Presentation Submission Guidelines

Thank you for submitting your application for the COPLAC UR Conference. The Undergraduate Research Committee will select the top 10 students to go to the COPLAC conference to represent UM at this important meeting. You will be notified of your acceptance via email. This conference is inter-disciplinary: the program will be read by many who are not in your field. Abstracts should be thought-out, concise, and accessible to a wide audience. Be sure to save all of this information because if selected you will be required to enter this information into an online form that the COPLAC meeting organizers will use to make the program. Depending on the deadline set by the COPLAC meeting organizers, you may be required to give your presentation to the UR Committee in advance of our Undergraduate Research Day. If so, you will be notified via email by February 15, 2019. We will set up a time for you to come and give your presentation.

Please complete the form below and email it and an outline of your presentation to [URProgram@montevallo.edu](mailto:URProgram@montevallo.edu). Also, be sure to have your research advisor submit a letter of recommendation for you to the same email address. Be sure that your research advisor knows that this is a competitive application and only 10 students will be selected to go and so, their letter is very important in the selection process.
