Why are you interested in becoming a UPC member?

Things you need to know:

- UPC members must be available for a bi-weekly meeting. The day and time will be given at the beginning of each semester.
- UPC members must work a minimum number of events per semester. The number of events is determined before the start of each semester. You will be given a list of events at the beginning of the semester to sign up for on a first come first serve basis.
- Once UPC members are selected, they will remain members until they either resign, or don't fulfill their membership obligation.
- Applications are due to the Student Life Office on or before September 13, 2019. The UPC Coordinator will interview all applicants before making member selections. Interviews will take place as applications are turned in. Final member selections will be made after application due date.
