

## It is an Honor to Serve You!

At the University of Montevallo, it is an honor to serve our veterans, current service members and their families. Housed in UM's Global Community Outreach Building, the Office of Veteran and Military Affairs (VMA) features a computer lab, lounge area, conference room, a quiet area for studying, free printing services and phone charging stations. The office also provides, facilitates and coordinates programs to meet the needs of our veteran student population. We work closely with members and veterans of the armed forces, Reserves and National Guard, as well as their dependents and spouses to provide the best educational opportunities and support available. Scholarship lists are available to veterans and dependents, as well as part time job opportunities on campus with the Veterans Administration. We also have a chapter of the Campus Veterans Association that serves as our campus and community outreach.
