1	Professors were always understanding and went out of their way to help us grow and succeed. The materials provided (i.e. lesson plan templates, instructions, etc.) were always clear and helpful.	12/3/2020 8:42 AM
2	I think overall the program helped prepare for working diverse students. It also lended itself well with classroom management.	12/2/2020 4:20 PM
3	My degree program is amazing at supporting students however possible. I have received extra textbooks from my professors in order to help me understand the context. I have also had professors stay late to spend time with me so that I can understand the content better.	12/2/2020 4:05 PM
4	Internship is really great and I've learned the most from that!	12/2/2020 12:36 PM

1	edTPA and internship requirements from the middle school (i.e. 20 minute lesson times) tended to be at odds. I understand this was because of COVID, but it was difficult trying to meet expectations for two opposing goals.	12/3/2020 8:42 AM
2	A big area of growth in my opinion is not just limping P-12 art with the core subjects. Things do not translate across all subjects with the way it is set up now and I felt that some classes were not or were barely applicable to my content.	12/2/2020 4:20 PM
3	The only negative thing that I can say is that I wish I had known about my Praxis test sooner.	12/2/2020 4:05 PM
4	Choral Methods	11/17/2020 4:07 PM
