

EBENEZER'S EXPLORERS DAY CAMP

GENERAL INFORMATION

Warning: Your camper will have lots of fun at Ebenezer's Explorers Day Camp! You'll find general information below to make sure campers are prepared and ready to explore and make awesome memories.

Drop-off and pick-up will be located on the University of Montevallo campus. The location will be shared with registered participants the week before summer camp.

During day camp, we may go on field trips to the UM Environmental Education Program's various locations including — Ebenezer Swamp Ecological Preserve, James Wylie Shepherd Observatory, UM Organic Community Garden and University Lake. Parents will be notified beforehand of the location and duration of that day's field trip options. Please note that field trips are subject to change.

The lessons and activities for each day camp are age appropriate and cover a wide range of STEM and nature-based topics.

Camp will be held rain or shine. Make sure campers are weather-prepared. We will try to stay outside as long as possible. However, we will go indoors in cases of extreme temperatures and if there is thunder and/or lightening.

Lunch and snack are provided and are included in the price of camp. Be sure to include dietary restrictions on the registration form and we will accommodate all dietary needs.

Camp is from 8:30 a.m. to 3:30 p.m. Aftercare is available from 3:30 to 5:30 p.m. for an additional program cost. If aftercare is needed, the camper must be registered for aftercare beforehand.
