

Attention All UM Students - All students intending to graduate must apply for graduation!

Failure to apply for graduation by the stated deadline could result in you not being cleared for graduation.

Please Note: If you plan to participate in Spring or Fall Commencement, indicate “Yes” in the appropriate field. If you are graduating (receiving your diploma) in **Summer**, then apply for **Summer** Graduation.

To graduate in...	Application opens	Apply no later than...	How to apply

Graduating in Summer, Walking in Spring Policy

Undergraduate students who have not completed all degree requirements by the end of the spring semester may participate in Spring Commencement if they meet **both** of the following:

- Have 18 or fewer credit hours to complete with verified UM summer term enrollment in all remaining requirements; AND
- Have obtained at least a 2.0 cumulative GPA.

Graduate students who have not completed all degree requirements by the end of the spring semester may participate in Spring Commencement if they meet **all** of the following:

- Have 6 semester hours or fewer hours to complete of coursework with verified Summer Term enrollment at UM in all remaining requirements;
- Are on-track to complete any non-course program requirements by the end of the Summer Term; AND
- Have obtained the minimum cumulative GPA required for program completion.

Names of all participants will be printed in the program. Therefore, a student may participate in only one commencement ceremony.

After the student completes all degree requirements, their degree will be conferred on the next “degree conferred” date. This date will appear on the student’s diploma and transcript and will correspond to one of the three dates that UM confers degrees. All graduation requirements and financial obligations must be satisfied in order to receive the diploma.

Summer undergraduate candidates approved to participate in Spring Commencement will walk with preliminary honor designations based on the UM Cumulative GPA at the time of Commencement. Final honors designations will be printed on the diploma and final transcript after completion.

Any exceptions to this policy must originate with the student’s Dean and will require the approval of the Provost and Vice President for Academic Affairs.

Students who wish to pursue this option should meet with their academic advisors as soon as possible to determine if they are able to complete all requirements at UM during the corresponding Summer term. Graduation applications for students who will complete their degree requirements over the summer are due in the Registrar’s Office by **March 15** in order to participate in Spring Commencement.

Summer graduates who are ineligible to participate in Spring Commencement may elect to participate in Fall Commencement. Students should declare intent to walk in fall with the Registrar’s Office by no later than **July 15**.

ATTENTION GRADUATING SENIORS!

Graduating seniors are enrolled in a new canvas course called, "Leaving the Nest." The course includes the Graduate Senior Survey, Next Destination Survey, links to Career Development Center and standardized testing websites for graduate school.
