edTPA Equipment Checkout Policy

CEHD faculty and students with a valid University of Montevallo I.D. may checkout available edTPA equipment through Teacher Education Services. Supervisors may checkout equipment to lend to their interns, but the student is responsible for the safe return of the equipment.

Equipment Reservation:

It is recommended that reservations be made via email for the equipment and made at least three (3) days prior to the pick-up date.

Equipment is limited to a 7-day checkout

Check-out Procedures:

You must sign an Equipment Checkout Form when picking up equipment. By signing the form, you agree that you understand the checkout policies and fee structure for lost, overdue, and/or damaged equipment. Batteries are not included with wireless mics. These require two 9 volt batteries.

Renewal of Equipment Checkout:

To renew the equipment, please email. Please note: you may not be able to renew if another student is waiting.

Check-in Procedures:

A signature is required when equipment is returned. Equipment must be checked in by a TES staff member to verify that the equipment is returned in good, working condition and that no accessories are missing.

Late Check-in Violations:

Equipment not returned by the scheduled check-in time is considered late. Failure to return equipment at the approved time will result in the suspension of reservation privileges, unless otherwise approved by a TES staff member. If equipment is not returned on time, the intern will not be able to participate in the certification workshop.

Financial Penalties for Lost or Damaged Equipment:

By checking out this equipment, you assume responsibility for exercising care to protect items from theft, loss, or damage, and to return equipment as schedule, regardless of who uses or is in possession of the equipment. UM will hold you financially accountable for the theft, loss, or damage of the equipment. The Dean of the CEHD will make the final determination of negligence and associated repair or replacement costs. Failure to reimburse TES for any lost or damaged equipment will result in a financial hold being placed on your account.
