

SELECTIVE SERVICE REGISTRATION

As required by Legislative Act #91-584, eligible males who are required to register with the Selective Service System cannot be offered employment with the State of Alabama, or be promoted or reclassified to a higher classification in the State service, without proof of registration.

To meet the requirements of Legislative Act #91-584, certification by the employee/applicant of his registration status has been deemed adequate to satisfy the intent of this legislation.

I certify that I have registered with the Selective Service.
