

PRE-LICENSURE BSN

ATI TEAS & Admission Requirements

College of Health Professions | Department of Nursing and Health Sciences

Admission to the University of Montevallo does not guarantee admission to the Pre-licensure BSN program. Applicants must meet the additional nursing admission requirements at the time of application.

Admission to the program is competitive and spaces are limited. When the number of students applying to the program exceeds the number of spaces available, the most qualified applicants will be admitted based on the admission requirements
